

International Graduate Program for Global Leaders on Engineering Systems with Humanities, Social Sciences, and Cultural Studies (IGP-GLES)

(1) Dept. of Industrial Engineering and Economics

ACADEMIC ADVISOR		RESEARCH FIELD	REMARKS	MAJOR
Professor	HIGUCHI, Yoichiro	Socio-Economic Networks, Econometrics		Industrial Engineering and Economics
Professor	IJIMA, Junichi	Systems Theory, Information Systems		Industrial Engineering and Economics
Professor	INOUE, Kotaro	Corporate Finance, Finance		Industrial Engineering and Economics
Professor	ITOH, Kenji	Ergonomics, Cognitive Engineering, Safety Engineering		Industrial Engineering and Economics
Visiting Professor	MASUI, Toshihiko	Environmental Economic Modeling	Supporting supervisor	Industrial Engineering and Economics
Professor	MATSUI, Tomomi	Optimization Theory, Combinatorics, Operations Research		Industrial Engineering and Economics
Professor	MIYAKAWA, Masami	Applied Statistics, Quality Control, Reliability		Industrial Engineering and Economics
Professor	MIZUNO, Shinji	Numerical Optimization, Operations Research, Financial Engineering		Industrial Engineering and Economics
Professor	TANAKA, Yoshitoshi	Intellectual Property Rights		Industrial Engineering and Economics
Professor	UMEMURO, Hiroyuki	Affect and Emotion, Gerontechnology, Human Factors		Industrial Engineering and Economics
Professor	YAMAMURO, Kyoko	History of Japan		Industrial Engineering and Economics
Professor	YAMATO, Takehiko	Microeconomic Theory, Experimental Economics		Industrial Engineering and Economics
Associate Professor	AOKI, Hiroataka	Human Factors and Ergonomics, Industrial Engineering		Industrial Engineering and Economics
Associate Professor	CHUNG, Sulin	Marketing, Distribution		Industrial Engineering and Economics
Associate Professor	HORI, Takeo	Macroeconomics		Industrial Engineering and Economics
Visiting Associate Professor	KANAMORI, Yuko	Environmental Economic Modeling	Supporting supervisor	Industrial Engineering and Economics
Associate Professor	KAWASAKI, Ryo	Mathematical Economics, Game Theory		Industrial Engineering and Economics
Associate Professor	MATSUSHITA, Yukitoshi	Statistics, Econometrics		Industrial Engineering and Economics
Associate Professor	NAGATA, Kyoko	Accounting Information, M&A		Industrial Engineering and Economics
Associate Professor	NAKATA, Kazuhide	Managerial Mathematics, Operations Research, Financial Engineering		Industrial Engineering and Economics
Associate Professor	OHDOI, Ryoji	Dynamic Macroeconomics		Industrial Engineering and Economics
Associate Professor	SENOO, Dai	Knowledge Management, Leadership		Industrial Engineering and Economics
Associate Professor	SHIOURA, Akiyoshi	Discrete Optimization, Operations Research		Industrial Engineering and Economics
Associate Professor	SUZUKI, Sadami	Quality Control, Logistics		Industrial Engineering and Economics
